Did you Know The NZIS offers an athlete friendly learning environment, one which values quality education, commitment to student success and a commitment to high performance sport. NZIS will offer flexible study options in sports science and sport management targeted to those who are training and competing at the highest levels. Our staff are all high performing athletes who know what it takes to be the best and are here to help every step of the way. We have sites located in Auckland, Hamilton, Wellington and Christchurch. Our focus is on student achievement both on and off the sports field.
