* New Zealand Football received funding via Sport NZ and HPSNZ's National Partner Strengthen and Adapt Programme for the FIFA Women's Football World Cup, including the preparation of the team and high performance development.

**Where para sports are now integrated into other NSOs, investment has been reallocated to those NSOs.

Note: Snow Sports and Netball are not included in this investment table. Snow Sports' investment will be confirmed following the Beijing Winter Olympic and Paralympic Games and Netball's current investment extends to the 2023 World Championship.
